

Friday, Oct. 21, 2016, 7 – 8:30 pm

MJC West Campus Sierra Hall 132.

Admission includes visit to the Great Valley Museum and the brand new interactive and original exhibit, ***Exploring Matter***.

Dr. Al Chemist and the Mischiefs (a group of chemistry instructors) will present a series of fascinating and amazing Halloween related chemistry demos. The zany antics of the group coupled with some explanations of the demos will provide a fun educational experience. Children are allowed if accompanied by adults with the dialogue rated as PG13.

For a thermal (infrared) photo of you that can be sent to your e-mail address, visit the newly opened exhibit in the GVM called ***Exploring Matter***.
